

HRSA grantees:

We want to hear from you! The 2024 Health Resources and Services Administration Grantee Satisfaction Survey is here.

Thank you for your work to help advance the Health Resources and Services Administration’s mission. We want to continue to strengthen and improve our approach to grantmaking and are anxious to receive your feedback as part of this effort.

Specifically, I would ask you to please **take no more than 20 minutes to complete our newly revamped and streamlined Grantee Satisfaction Survey**. You will receive an email from noreply@gemailserver.com with a unique link to complete the survey. We plan to use the survey results to improve our interactions with you – everything from the application process to communications with HRSA staff to the technical assistance we provide.

Your voice matters.

We’ve aimed to make the survey shorter and easier to complete. The higher the response rate, the better we will be able to identify key areas for action.

Thank you in advance for your time and thoughtfulness in responding. And, as always, thank you for your partnership with HRSA to improve the health and well-being of the communities across the country that we serve.

Sincerely,

Carole Johnson
Administrator
