## How do I access my FQHC-LAL program?

1. From anywhere in the EHB, click the [FQHC-LALs](#) tab at the top of the page.
2. Click the **FQHC-LAL Home** context menu (drop-down) for the LAL you want to access.
3. Select the **Action** or **View** you want by clicking on its link.

## How do I view my Designation Portfolio?

1. From anywhere in the EHB, click the [FQHC-LALs](#) tab at the top of the page.
2. Click the **FQHC-LAL Home** context menu (drop-down) for the LAL portfolio you want to access.
3. Click the [Designation Portfolio](#) link.

## How do I work on my Initial Designation Application?

1. From anywhere in the EHB, click the [FQHC-LALs](#) tab at the top of the page.
2. Click the **FQHC-LAL Home** context menu (drop-down) for the LAL portfolio you want to work on.
3. Click the [Work on Initial Designation Application](#) link.

## How do I add a Designation to my Portfolio?

1. From anywhere in the EHB, click the [FQHC-LALs](#) tab at the top of the page.
2. Click the **FQHC-LAL Home** context menu (drop-down) for the LAL portfolio you want to work on.
3. Click the [Add Designation to Portfolio](#) link for the respective LAL.

## How do I allow others to work on My Initial Designation Application?

1. From anywhere in the EHB, click the [FQHC-LALs](#) tab at the top of the page.
2. Click the **FQHC-LAL Home** context menu (drop-down) for the LAL portfolio you want to work on.
3. Click the [Application Peer Access](#) link for the respective LAL.
